## Helpful Tools for Homework Success

- ◆ Every example in the book has a Personal Tutor that provides a teacher led demonstration of a problem similar to the one in the book. (See the Lesson Playlist)
- ◆ Odd problems with a colored circle around them have a fully worked out solution in the back of the Student Edition (see Student Handbook pages)
- ◆ Re-teach Worksheets are available to provide additional examples and practice (see the Lesson Playlist)
- ◆ Hotmath Homework Help is available online to provide help with odd number problems. Hints and step-by-step solutions. (See Chapter Playlist under additional resources.)
  - Click on Hotmath Homework Help
  - Choose state (Florida)
  - Choose Book
  - Enter page number and hit enter
  - Select problem # and hit enter
  - Click down arrow to view hints and step by step solutions

**Step-by-Step Math Answer**

Problem: 27 Set: Study Guide and Review Page: 225

## Additional Tools for Student Success

- ◆ Study Notebook pages provide a guided note-taking resource for students. (Lesson Playlist – Worksheets)
- ◆ A variety of worksheets are available on the Lesson Playlists and Chapter Playlist.
- ◆ Online Self Check Quizzes (Lesson Playlist – Additional Resources) and Chapter Tests (Chapter Playlist – Online Assessments) provide quick assessments with hints that students can use to get ready for in-class assessments.
- ◆ The glossary in the back of the Student Edition (see Student Handbook pages) provides key vocabulary in English, Spanish, and Haitian Creole. The online Multilingual eGlossary (see the Chapter Playlist – Additional Resources) provides support for 13 languages including audio and animations in English and Spanish.
